LIGHT COMMITTEE.

Can Agree On a City Electric
Light Superintendent.

But Cannot On the Apportionment
of the \$225.

The council will likely meet Mon-
day night in called session to con-
sider the superintendency of the city
electric light plant. It is understood
that the committee has decided on
the appointment of Mr. Frank Davis,
but is unable to agree on the ap-
portionment of \$225 per month ap-
propriated for the plant.

This amount is now divided by the
superintendent to suit himself. Part
of the committee desire to apportion
this themselves, as follows:
Superintendent, \$85; engineer,
\$60; fireman, \$40; trimmer, \$40.
The committee has thus far failed to
agree on the apportionment question.
The mayor will, at the called meet-
ing Monday, present the first report
of condition of lights, number that
burned, etc., ever tendered the coun-
cil. During the forty days to Feb.
24th, 7.92 of the lights were out.

Died in Toledo.
Mr. Joseph Minsky, of Toledo,
Ohio, died last night. As a result
of the store of Mr. A. Rosenthal, on
East Court street, wore crepe today.
The deceased was a near relation of
Mr. Rosenthal.

**REPORT
WILL BE READY
TOMORROW.**

The Court of Inquiry Expected
At Key West Tonight With
Full Report of the
Investigation.

MOVEMENT OF OUR BATTLESHIPS.

If The Achery is Proved Spain
Will Be Called on For
a Large Indemnity
Immediately.

HER REFUSAL TO DO SO WILL MEAN WAR.

Key West, Fla., Feb. 26.—The
naval board of inquiry is expected to
arrive here tonight from Havana, and
it is expected that the report will be
sent to Washington tomorrow and
made public at once.

Admiral Sicard is here preparing
as fast as possible for the emergency
of war. The battleship Detroit is
here. The Marlborough is here and
the New York is on her way here.

If the report of the naval board
shows treachery, an indemnity will
be demanded at once, and a refusal
by Spain will mean war.
Washington, Feb. 26.—Secretary
Sherman corroborates the story that
an indemnity will be asked if treach-
ery is proven. It is believed that
twenty million dollars will be de-
manded, and if that be refused by
Spain, then war will follow.

Washington, Feb. 26.—Secretary
of War Long has decided not to go
to Key West to meet the board of in-
quiry, but will remain here. He con-
sidered the situation for two grave
to absent even one day. The re-
port will be sent to him as soon as it
arrives.

**Spanish Theory Completely Over-
thrown.**

Havana, Feb. 26.—Patience is
necessary on the part of the people
of the United States in the Maine in-
vestigation. Notwithstanding vexatious
delays, real progress is being
made by the divers. Captain Samp-
son's naval board has been able to
gain the fullest information, showing
that an accident through lack of dis-
cipline is in the nature of an impos-
sibility.

This branch of the inquiry brings
out what was well understood, that
the officers and the crew of the Maine
were under the strictest discipline,
because, although, on the surface,
the visit of the Maine was friendly,
Capt. Sigbee had taken proper pre-
cautions against hostile action.

The board has not yet directed the
examination of the hull plates. While
the divers' examination shows that
some of the smaller magazines may
have exploded, the fact that the main
magazine was not exploded seems to have been conclusively established. The story of the
finding of the ten-inch copper cylinder
was correct. The Spanish
authorities adhere to the theory of
a fire in the ship first and
the explosion afterward. The result
of the divers' examination against
this theory. Though these reports
are carefully guarded, it is known
what they have found in the interior
of the wreck has demolished the
theory of fire before the explosion.

In the uncertainty of the relations
of the United States the importance
of the recent action of the Autono-
mist party is overlooked. Its Cen-
tral Committee has formally approved
the plan, which is a confession of the
failure of the present scheme of in-
surrection and an offer to the in-
surgents to concede everything except
the withdrawal of the Spanish flag.
negotiations are actually opened with
the insurgents, Govins and the radi-
cal Autonomists, the proposition will
be rejected.

The intransigents are still hostile
to the government. Among them
the Maine inquiry is adding to the
smoldered anti-American feeling.
The authorities profess to be able to
hold it in check.

De Lome Growing Reckless.
Liverpool, Feb. 26.—Senor Dupuy
De Lome, who arrived here yester-
day on board the White Star line
steamer Britannia, is quoted as say-
ing in an interview:

"I have decided not to speak on
the subject of my letter to Senor
Canalejas. I can say, however, that
I have been from the first the victim
of misrepresentation. The news pub-
lished in the American papers and
sent to this country and my own
was, from beginning to end, made
up of lies of the most infamous char-
acter. The allegation in the Ameri-
can papers that the terrible explosion
of the Maine was the outcome of a
Spanish conspiracy is, in my opin-
ion, another instance of the reckless
manner in which newspapers in
America work upon popular prej-
udice."

A Window Broken Out.
Shortly before noon today a show
window glass at Mrs. Friedman's
millinery store was accidentally
broken out by Mr. John B. Holson,
who was trying to keep his friend,
Mr. Chas. Buddy, from seeing the
country hand.

HARMONY THE WORD.

Republicans Gather Today in Louis-
ville to Talk Over the Situation.

Louisville, Ky., Feb. 26.—The
meeting of republican friends of Gov.
Bradley held in this city today was
called together at 2 p. m. at the Galt
House. The meeting was well at-
tended by prominent republicans
from all parts of the state. The sen-
timent expressed by all in attendance
was that harmony should rule in party
affairs and factions should be elimi-
nated.

TROUBLE AT EDDYVILLE.

Marshall Jenkins Enjoins the Collec-
tion of School Taxes.

Marshall Jenkins has enjoined the
town of Eddyville from collecting
any more school taxes on the ground
that it is illegal. Eddyville, he
claims, was put in the wrong class of
cities by counting the convicts as citi-
zens. It is said that even the con-
victs do not regard themselves as be-
ing permanent citizens of Eddyville.
The affair is quite an unusual pro-
ceeding. When a census was taken
of the town, convicts were counted in
that city might be placed with those
of the fifth class.

A DAYLIGHT THEFT.

A Negro Tramp Runs Off With a
Pocketbook.

A negro tramp stole a pocketbook
containing a few dollars this morn-
ing from a table on the back porch
at Mr. J. W. Cleaves' residence on
West Jefferson street.
The tramp applied for food, and
incidentally picked up the pocket-
book, which had carelessly been left
there by one of the ladies. Officers
went out to investigate the case but
could obtain no clue.

BIG FIRES.

Leitchfield Devastated by the
Worst Fire in Its History.

The Loss Will Be
\$10,000.

Some People Lose Their Lives in
a Disastrous Fire in
a House in
Charleston.

Charleston, S. C., Feb. 26.—Nine
persons lost their lives in a tenement
house fire here this morning.

Leitchfield, Ky., Feb. 26.—This
town was today visited by the worst
fire in its history. Eight stores,
Methodist church and Deposit Bank
building burned at a loss of \$10,000.
A defective fuse was the cause.

TOOK \$315.

Bold Burglary Committed About
11 O'clock Last
Night.

A Man, at the Point of a Pistol,
Takes a Good Sum
of Money.

Some one knocked on the door at
Mrs. Dan Burk's room, 1331 West
Broadway, about 11 o'clock last
night. Mr. Burk is a hostler, em-
ployed at the I. C. shops, and his
wife thought it was he. When she
opened the door a man presented a
pistol at her and ordered her to give
him \$300 he knew she had in the house.

The money was in her bosom, and
she began unpinning it. She was not
quick enough, and he removed sev-
eral of the pins used to secure the
money in place, himself. There was
\$315 of it, all in bills, and he made
his escape with it.

Mrs. Burk screamed until she
aroused the neighbors, and a crowd
soon rushed to the house. A search
was made for the robber, but to no
avail.

The second was either a negro
or a white man disguised as one. He
seemed to be perfectly familiar with
the place and with where the money
was kept.

It was reported this morning that
the robber was a woman, disguised
as a man and blacked. Chief Barber
discredits the story that the robber
was either blacked up, or a woman,
as the lady's gown was not soiled
when the villain unpinning the money.
The chief thinks it was a negro.

There is yet another theory to the
robbery, and it is the one believed
by the police. This theory is that
the "robber" was a white man, and
that more than one person knows who
he is. It is expected that there will
be sensational developments in the
case.

**CHINN SCHOOL
BOOK BILL
IS KILLED.**

Bronston Does It With Another
Bill and Has Some Hot
Words With Senator
J. Morgan Chinn.

GOEBEL BILL BEING DEBATED.

In the House This Afternoon and
the Prospects of Its
Passage Is Un-
certain.

DEBATE MAY LAST TILL TONIGHT.

Frankfort, Ky., Feb. 26.—The
senate chamber was the scene of
much excitement this morning. Sena-
tor Bronston paid his respects to
Senator J. Morgan Chinn in the most
caustic manner.

The trouble came up over the
Bronston School Book bill, which
passed the senate today and thus
killed the Chinn School Book bill.
The Goebel Election bill is being
debated in the house with poor pros-
pect of its passage. The debate is
expected to last all the afternoon.

SUDDEN DEATHS.

The Coroner Hears of Them After
the Burials.

Coroner Phelps today received in-
formation that there had been two
sudden deaths in the city two or
three days ago. Both victims were
colored. Henry Fletcher, of Ninth
and Burnett streets, being one, but
the name of the other the coroner did
not learn. Both were buried when
the information reached the coroner.
No death certificates were obtained,
according to the coroner, and he in-
tends to see that in the future no such
burials occur.

TONIGHT.

Josh Simpkins at Morton's Opera
House.

The great rural comedy drama,
Joshua Simpkins, will be the attrac-
tion at Morton's opera house tonight.
The piece is full of good music, sing-
ing, dancing and fun. The saw mill
scene in the third act is said to be
wonderfully realistic. A genuine
circular saw is seen in motion and
just to show that it is the real article,
a board is sawed off a log in full view
of the audience, after which Caleb
Simpkins, uncle Josh's son, is lashed
to the log by the villains and started
toward the glittering teeth of the rap-
idly revolving saw.

A VIGILANCE COMMITTEE

May Be Organized to Abolish
Tramps.

Officer Hoyer, who has the first
ward beat, thinks that unless some-
thing is done to rid the city of the
tramps who infest the town, the citi-
zens will take matters into their own
hands and organize a vigilance com-
mittee.

In fact it was openly talked of to-
day, when the daring robbery of a
helpless woman at the point of a pis-
tol last night became known. The
citizens intend to severely whip every
tramp caught inside the city.

"A TRIP TO CHINATOWN."

It Will Appear at Morton's Opera
House Monday Night.

The coming to this city of any of
Hoyt's humorous creations is always
the signal for a general assembly of
local theatergoers, and it is therefore
a pleasure to announce that the best
of all the Hoyt farces, "A Trip to
Chinatown," is announced for Mon-
day evening at Morton's opera house.
This is the exhilarating satire which
delighted New Yorkers for two years
and succeeded in breaking all records
for successful runs in the metropolis.
It is brimful of good things in the
shape of musical novelties, unique
dances and taking features of all de-
scriptions.

FEELING RISING.

Against the Mayfield Mob—Mass
Meeting to Be Held.

Mayfield, Ky., Feb. 26.—The
feeling against the work of the mob
last Wednesday is rising at Mayfield,
and a mass meeting of the best citi-
zens will be held Monday to denounce
the lynching and mob rule generally.
Notes of warning were sent to mem-
bers of other negroes yesterday and
many of them have left town. A
mob of 1 to have met before midnight
to whip negroes, but no violence was
done.

The preliminary hearing of In-
surrection Superintendent Hughes,
charged with being the leader of the
mob which lynched five men in Rip-
ley county, Ind., was begun at Cross
Point Thursday.

Though overtures have been made
by the Populists looking toward fu-
sion, the Republicans of Alabama
will probably nominate a full state
ticket from Governor down.

In Loving Remembrance of **Lexie Lee Bolton.**

Another home has been robbed of its choicest flower, the tenderest blossom. Other hearts made sad by the grim reaper, but

"There is no death," what seems so is transition.
This life is of mortal breath—
It has a suburb of the life beyond
Whose portal we call death.

Little Lexie Lee, the only child of Mr. and Mrs. V. Lee Bolton, was gathered into the fold Feb. 12, 1898. He was born in Paducah Jan. 23, 1893, and although only five years old, was his mother's only company in his father's absence, he being a traveling salesman and away much of his time.

We extend our heartfelt sympathy to this bereaved family in which the pride of the father and the very apple of the mother's eye has been taken. A precious one from us is gone, a voice we loved is still.

HANNON HELD.

His Bond Is Fixed At the Low Sum of \$1000—Many Concealed Weapon Cases On the Docket.

George Bradshaw Is Held For Housebreaking—Ed. Shaw Gets a Good Dose Of Justice.

Thomas Hannon, the young man charged with the murder of Will Hall, who was shot last Monday in Mechanicsburg, was held to answer by Judge Sanders today in the sum of \$1000.

Judge Sanders received the testimony, and evidently believes from the evidence that there was at least some justification. The evidence is very conflicting. Mrs. Hall's statements not being corroborated. She was the only eye witness to the shooting.

There were concealed weapon cases galore in the police court today.

J. W. Browning, of Simpson, Ill., was charged with carrying a pistol. He was arrested here several days ago, and released on a \$50 bond. Just as expected, he failed to show up, and his bond was ordered forfeited and a fine of \$50 assessed and 20 days.

The court said he would fix up more bonds in such cases so low. Browning was willing to pay fifty dollars rather than go to jail.

William Simmons, a mulatto from Birmingham, Ala., was arrested out by the "Y" with several white tramps. He had a Colt's revolver in his pocket. He said he was only tramping, and was fined \$50 and sentenced to thirty days.

Wm. Wetzel, a white tramp from Cincinnati, was charged with carrying a razor. The razor was in a leather case, suspended by a string, and the defendant explained that he was not carrying it as a weapon, but as an article of toilet. That it was under his clothes, and he could not possibly have gotten to it in case of emergency.

Chas. Smith, another tramp, was charged with a similar offense, and offered a similar excuse. The court said that a pin could be a deadly weapon, according to the court of appeals, and fined each tramp \$25 and ten days in jail.

Ed Shaw, a very black negro, was charged with carrying a pistol concealed. He was arrested last night by Officers Hughes and Block on suspicion of having stolen a brass watch from Mr. Tom Robison's coal office. Mr. Robison is confident of the negro's guilt, but has no proof. When arrested a pistol was found on his person, and something the officers caught might be a dynamite cap. Shaw admitted that he has been out of the penitentiary only a few months. He was fined \$100 and sentenced to thirty days.

Robert Hurt, colored, charged with putting a spurious number on his wagon, was acquitted. He swore he did not know who put the number on.

The case against Kate Bensley, colored, charged with using insulting language, was left open until Monday.

Wyatt Bizer, colored, who claims somebody struck him on the head and knocked him down in Boyd's alley, was charged with being drunk. He denied the charge, but the evidence showed he was drunk. He probably fell and cut the hole in his head. He was fined \$1.

Jake Haynes, a stranger, said he guessed he was drunk, and Judge Sanders guessed it would cost him just a dollar, with trimmings.

George Bradshaw, alias Bradley, colored, was arraigned on a charge of breaking into the residence of Mr. Louis Riecke, at Seventh and Jefferson streets, last night. A quantity of clothing was stolen, valued at about \$26. Bradshaw was caught at a pawn shop and carried to the city hall. Mr. Riecke soon reported the robbery and was requested to come to the city hall and identify the goods. He found them to be the same stolen from his home a short time before.

Bradshaw, alias Bradley, swore this morning that Jim Williams, whom he does not know, gave him the goods to sell at the pawn shop. He was held to answer in the sum of \$200, and in default of bond went to jail.

Jesse Cochran, a boy tramp from Altenburg, Mo., and another tramps youth were allowed to go.

James Williams, another tramp who had his pocket full of "hand-outs," he said he worked for, was given thirty days on the streets.
